### **Purpose**

The Kathy Booher Junior Fair Improvement Fund is to provide an enhancement to the Junior Fair, annually, that will improve the Junior Fair experience for our youth. Emphasis will be made to make improvements to the Show Barn and other Junior Fair facilities.

### **Kathy Booher**

For 26 years, Kathy influenced generations of youth as the OSU Extension Educator for Ottawa County. Kathy had a passion for advancing the youth programs and the Junior Fair. Under her direction, the 4-H program grew and expanded through 4-H clubs, school programs and through other teen organizations under the 4-H umbrella. For many 4-Hers, the culmination of their project was showing at the county fair. This is where Kathy was happiest, seeing the youth perform and being rewarded for their hard work. This fund will highlight a project each year that will improve some aspect of the Junior Fair and keep her passion alive continuously.

### **Recognition**

All donors will be recognized each year at the Ottawa County Fair opening ceremony. In addition, a permanent display area will be incorporated into the Show Barn to recognize donors for years to come.

### **Donations and Tax Deductible Information**

Donations should be made to the Ottawa County Agricultural Society (OCAS) with a memo "KB Fund".  
Mailing address: 7870 W.St.Rt. 163 Oak Harbor, OH 43449

## 2019 Project

### Project

The 2019 Project will be to purchase and install two 14 foot ventilation fans in the Junior Fair Show Barn. This is something that Kathy had wished for, for many years, to help make the show ring just a bit cooler on those hot days.

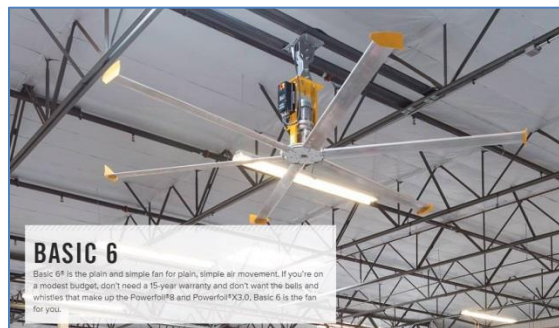

The initial recognition display will also be installed.

### Goal

\$15,000. Two fans, signage and installation costs.
