

PO Box 141  
Oak Harbor, OH 43449

Dear Buyer's Club Member,

We would like to take this opportunity to thank you for your support of the Jr. Fair market livestock exhibitors with last year's contributions to the Buyer's Club. Through the generosity of wonderful individuals and organizations such as yourself, the Buyer's Club has become a great success. It has helped increase premiums for exhibitors and also allows more people to be involved in the sale.

We will once again be collecting donations towards the Buyer's Club to support the 4-H and FFA youth of Ottawa County. Whether you are able to give \$25 or \$1,000, your contribution will be pooled with other members of the Buyer's Club to make advertising bids (premium bids) during the Livestock Sale on Friday, July 22, 2022 at the Ottawa County Fairgrounds. Your name will be recognized during the sale, on signage at the fairgrounds and in the newspaper following the fair.

If you are interested in joining the Buyer's Club, please complete the form at the bottom and return it, along with your contribution, to the address listed below. If you have questions about the Buyer's Club, or would like more information about the sale, contact Kayla Laubacher at 419-341-5239 (call/text) or oclivestocksale@gmail.com.

Thank you for taking the time to consider the Buyer's Club and supporting the market livestock exhibitors at the 2022 Ottawa County Fair.

Sincerely,  
The Ottawa County Jr. Fair Livestock Sale Committee

Please cut along the dotted line and return the bottom portion.
