

Buyer's Club Donation Form

The Buyer's Club was created to provide an opportunity for everyone to support the Ottawa County Jr. Fair Livestock Sale. This allows recognition for those unable to attend the sale or for those wanting to support the exhibitors, but not individually, the opportunity to get involved. Through the generosity of wonderful individuals and organizations, the Buyer's Club has become a great success. It has helped to increase advertising bids for the exhibitors and allows more people to become involved in the sale.

Whether you are able to give \$25 or \$1,000, your contribution will be pooled with other members of the Buyer's Club to make advertising bids (premium bids) at the Livestock Sale held on Friday, July 22 during the fair. If you are interested in joining the Buyer's Club, please complete the form at the bottom and return it along with your contribution to the address listed below. Your name will be recognized during the sale and after the sale in our sale recap flyer. Return by July 8th to be listed on the Buyer's Club sign at the fair.

If you have questions about the Buyer's Club or would like more information, contact Kayla Laubacher at 419-341-5239 (call/text) or oclivestocksale@gmail.com.

Thank you for taking the time to consider the Buyer's Club and supporting the market livestock exhibitors at the Ottawa County Jr. Fair.
