

Livestock Sale Premium Only Release Form

Exhibitors who wish to retain ownership of their animal for resale from their farm may elect to sell their animal for a premium only. Using this form as a written request of intent to designate the animal as premium only **MUST be submitted to the Jr. Fair Coordinator by June 1st.** (submit completed forms to Molly at avers.15@osu.edu)

These animals will be designated on the sale program so buyers know that this animal is only available for advertising and will not carry the option to purchase the physical animal.

This option is available to all market animals and feeder calves. If chose to participate in premium only, these animals will be assessed fees as all other livestock in their project, with amounts for market beef, market swine, market lambs, and market goats to be based on the average market value of that animal as determined by the packer bids received for that species. Feeder calves will be assessed a flat fee of \$75.
